Share in your child's first experience at school with this unique adult-and-me opportunity. All caretakers are welcome, including parents, grandparents, babysitters, etc. Our experienced teachers will use their creativity, enthusiasm, and passion for teaching to ensure a positive first preschool experience for you and your child. They will introduce your child to the inner workings of a classroom setting so they become familiar with many components of the typical day at BSEL, including circle time, crafts, music, snack, gym, and free play. The class also provides many opportunities for toddlers to socialize with peers in a safe learning environment.

To register, please email Jen Royds, Director, at jroyds@brandywineschool.org by September 15. Space is limited, so please register as soon as possible.
